## Junior Programme

Children aged 8 to 13 have an exciting and varied programme, with musical mornings and different activities every afternoon including Seafaris and Aquasplash.

## Visiting Faculty

In addition to the local teaching team, guests from UK specialist music schools including Trinity Laban Music Conservatoire will visit for coaching and masterclasses.

## Jersey Zoo

The Friday evening of the course will give all the students the opportunity to perform at Jersey Zoo's exciting and popular 'Durrell At Dusk' event.

## Register

The course fee is £315 for the full week (9am-6pm Mon-Sat). Some optional Afternoon Activities are supplementary (see Application Form). ## Senior Programme

More experienced instrumentalists aged 14 to 18 will participate in a specialised musical itinerary, with optional activities and extra concert opportunities.

## Guest Ensemble

The inspirational 'School of Noise' will deliver Electro-Pop Workshops, exploring the science of sound with all manner of truly bizarre electronic instruments!

## L'Etacquerel Fort

The climax of the course is a once-in-a-lifetime concert opportunity at this breathtaking clifftop fort overlooking the dramatic North coast and seascape beyond.
