

## Chateau Vermont on the Island of Jersey

# Sleeping Arrangements

The bedrooms at Chateau Vermont are situated on the first floor of the property, accessible by both front and rear staircases. Children and teachers can be distributed as required, and extra single beds are available to increase numbers per room as stated below. Please note however that we have a strict total max capacity of 40 because of the fire regulations. Please notify us of your final room distribution at least one week prior to the start of your trip.

- Bedroom 1: Either lead-teacher room (large double bed), or it can be set up with additional single beds to sleep 4/5. Shares bathroom with Bedroom 8.
- Bedroom 2: Two people – two single beds or one double. No en-suite bathroom (house shower rooms\*)
- Bedroom 3: Six people - three bunk beds. En-suite bathroom. One extra single bed can be added to the room if required.
- Bedroom 4: Eight people - four bunk beds. En-suite bathroom.
- Bedroom 5: Six people - three bunk beds. En-suite bathroom. One extra single bed can be added to the room if required.
- Bedroom 6: Four people - two bunk beds. En-suite bathroom. One extra single bed can be added to the room if required.
- Bedroom 7: Ten people – five bunks beds. En-suite bathroom.
- Bedroom 8: One person or couple – double sofa bed. Shares bathroom with Room 1.
- Optional Room 9 (subject to availability): Two single beds – Library room on ground floor, no en-suite bathroom (house shower rooms\*).

The first floor of the property can be kept entirely private for your group if required, whereas the ground floor and second floor remain accessible for public as this is where the Jersey Academy of Music's teaching rooms are situated.

\* House shower rooms – centrally located on the first floor next to all the bedrooms, 4 additional showers and toilet, including disabled shower/toilet.
